The Disaster Center is dedicated to the idea that disaster mitigation is cost effective and individuals pursuing their own interest are the greatest potential force for disaster reduction.

Please consider making a small donation to the Disaster Center

When disaster mitigation is cost effective, we are on the road to bringing disasters to an end.

# **FEMA**

# **Daily Operations Briefing**

**Monday, March 12, 2018** 

8:30 a.m. EDT

# Significant Activity – Mar 9-11

Significant Events: Nor'easter

**Tropical Activity:** Western Pacific – No activity affecting U.S. interests

#### **Significant Weather:**

Heavy snow possible – Tennessee Valley to Central Appalachians and New England

Space Weather – Past 24 hours: none occurred; next 24 hours: none predicted

Earthquake Activity: No significant activity

**Declaration Activity:** Major Disaster Declaration request - KY

# Nor'easter March 12 & continuing

#### **Current Situation**

 A third coastal storm in two weeks will bring heavy wet snow, gusty winds, and minor coastal flooding from the Mid-Atlantic to New England

### **Potential Impacts**

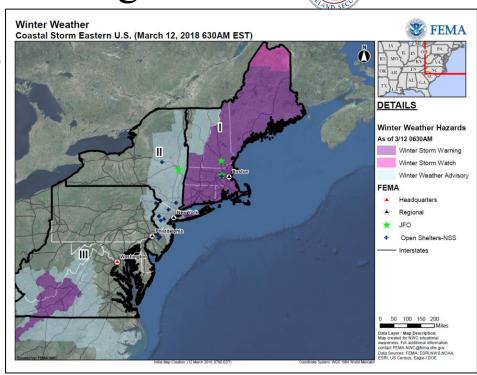

- · Minor coastal flooding
- Power outages due to downed trees and power lines
- Transportation delays likely (road, rail and aviation)

### **State/Local Preparations/Response**

- · Region I: MA EOC is at Monitoring
- · Region II: States continue to monitor
- · Region III: States continue to monitor

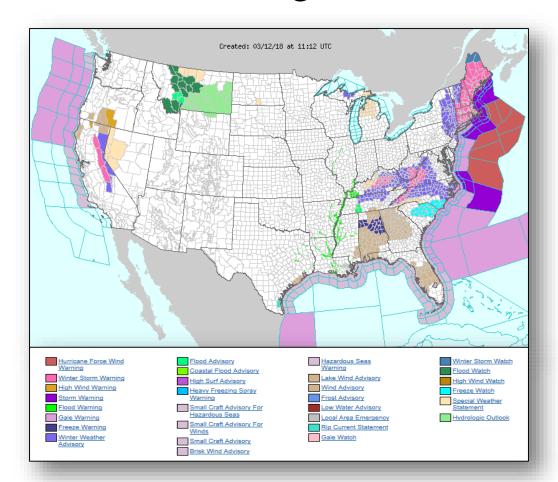

#### **Federal Preparations/Response**

- Region I, II and III RWCs continue to monitor and coordinate with States
- NWC continues to monitor
