(d) ESF- 8: Mobile County Special Needs: Baker High School
Issuing press releases as needed regarding public health/safety issues.

(d) ESF-11: NW AL north of Tuscaloosa approx. 10% damage to corn crop, minor damage to cotton crop, cotton was laid down by high winds but could recover
Cotton report heavy damage in Mobile Co.; Pecans heavy damage in Mobile Co.; Satsuma crop heavy damage in Mobile Co
Poultry-statewide: light to minor damage, several companies reporting metal roofing damage, one older house destroyed in Cullman Co.; 200-300 poultry houses tin damage; 8-10 houses damaged severe enough to have to relocate chickens into other houses; possibly 2-3 houses damaged severe enough that may not be repairable; less than 10,000 chickens lost, mostly due to generator failure at a farm in Walker Co.
Current reports for livestock damage are sparse due to downed communications but appear to be mainly fence damage due to downed trees along AL/MS border, we have contacted AL Cattlemen’s Assoc. who is coordinating a fencepost & wire resource to help supply local needs We have communicated w/several vet clinics in Mobile & Baldwin Co.; Baldwin Co. reports light damage & are back on line with power; Mobile Co. reporting light structural damage but no electricity. Vets are still able to provide emergency care & can be contacted through their regular office numbers (some available, some are not). We have discussed the possibility of utilizing a VMAT team w/a VMAT team leader, at this time, they have capacity to assist if/when we need. Local vet resources are adequate at this time.
The Department has a list of 15 facilities across the state that will house animals evacuated because of the hurricane. The list, along with contact information and type of animal is posted on the Department website as well as on the EM2000. Some of these facilities will house small animals such as dogs and cats; however, most only house horses. The total number of animals that can be accommodated is over 2000. Late this morning it was reported that just under 100 horses were being sheltered.
